Mr. Clifton E. Mack
Director, Bureau of Federal Supply
General Services Administration
Washington 25, D. C.

Dear Mr. Mack:

Reference is made to previous correspondence and arrangements concerning the establishment of working funds with the Bureau of Federal Supply for previous fiscal years to provide for the purchase of certain sterile items of equipment on behalf of this Agency.

It is desired to continue this arrangement for the 1951 fiscal year and, accordingly, I have authorized the transfer of an initial sum of for this purpose. This Agency's Budget Officer will make the necessary financial arrangements with the appropriate official of your Bureau in the usual manner.

Sincerely yours,
